

LUNA NUDA

ITALIA

Luna Nuda, “naked moon” is derived from the mystery and influence the full moon has on the growing, harvesting and winemaking traditions winemakers in Italy have practiced for centuries.

VARIETAL COMPOSITION

100 % Pinot Grigio

TASTING NOTES

The 2018 Luna Nuda Pinot Grigio is even more crisp and fresh than past vintages due to cooler temperatures throughout the year. This vintage expresses brilliant aromatics of ripe pear and honeydew melon followed by stone fruit flavors and crisp complement of apple skin on the palate. Luna Nuda Pinot Grigio is a dry white wine with great minerality and subtle notes of alpine air from Italy’s northernmost region. This wine is beautifully paired with ricotta gnocchi and prosciutto wrapped asparagus.

VINEYARDS

Fruit for Luna Nuda Pinot Grigio is 100% estate grown on the Giovanett family’s vineyards, where the grapes are hand-picked, and hand sorted for each vintage. The vineyards surround the towns of Cortina, Marge and Salerno, one of Alto Adige’s oldest white wine production areas. This region is most notable for producing crisp, fresh Pinot Grigio style wines. Alto Adige is the country’s premier site for this varietal.

HARVEST

The 2018 harvest was considered a peak harvest in Alto Adige, producing fruity, yellow white wines. There were 15-20% more grapes harvested this year that were perfectly ripe, higher in natural sugar content and lower in acidity, creating very aromatic white wines.

WINERY

Luna Nuda is grown and produced by 4th generation winemaking family, the Giovanetts at their estate Castelfeder Winery. Founded in 1970 and located in Cortina, the heart of Alto Adige, this is the 3rd largest winery in the valley. Alfons Giovanett founded the winery, he believes wine tastes its best when there’s a full moon – this is why we celebrate the full moon each month.

ALCOHOL: 12.5%

ACIDITY: 5.5 g/l
